MFS® IRA APPLICATION

Please fill out a separate application for each type of IRA you are establishing.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

You must provide the following information for each person listed on the account: name, date of birth, Social Security number or taxpayer identification number, and residential address (a P.O. Box is not acceptable). We also may ask to see your driver's license or other identifying documents. In the event that MFSC, on behalf of the fund, is unable to verify the identity of investors, MFSC and the fund reserve the right to take additional steps up to and including closing the account if required by applicable law.

1. Investor Information

The MFS Family of Funds® is generally only available to U.S. residents classified as U.S. Persons for federal tax purposes. A U.S. Person is a citizen or resident alien of the United States. Both the residential address and mailing address provided must be a U.S. address.

Minimum Balance Requirement: Because it is costly to maintain small accounts and to keep fees reasonable for all shareholders, the MFS funds reserve the right to liquidate an account without the individual IRA owner's permission in the instance where the account balance contains less than \$500 for any reason, including market fluctuation. See Section 5.7 Involuntary Redemptions of the MFS Individual Retirement Account Trust Agreement.

3. Account Type Please complete either A or B.

Note: Internal Revenue Service rules allow only one IRA-to-IRA rollover in any twelve-month time period, regardless of the number of IRAs an individual has or the types of IRAs (including traditional, Roth, SEP, and SIMPLE IRAs). Exceeding this limit, even if the prior rollover involved a different type of IRA, will result in an excess contribution to your IRA subject to taxation and penalties. Roth conversions (rollovers from traditional IRAs to Roth IRAs), rollovers between qualified plans and IRAs, and trustee-to-trustee transfers – direct transfers of assets from one IRA trustee to another – are not subject to the one-per-year limit and are disregarded in applying the limit to other rollovers. You may want to consult with your tax advisor before making a rollover.

- TRANSFER From another Roth IRA only. Complete and attach **Form B**.
- ROLLOVER TO A ROTH Within 60 days of your receipt from another Roth IRA or from a designated Roth account in an eligible retirement plan. By effecting this rollover, you agree that you will be responsible for tracking the portion of the rollover IRA attributable to Roth contributions and the portion attributable to earnings and that you understand that the five-year period used in determining whether a distribution is a “qualified distribution” from your Roth IRA is computed without regard to your period of participation in the designated Roth account under an eligible retirement plan. Enclose a check.
- CONVERSION ROTH IRA From a traditional IRA only. Complete and attach the **Roth IRA Conversion Form**.
- DIRECT ROLLOVER From a designated Roth account in an eligible retirement plan. To request a letter of acceptance, complete and attach **Form C**. 5. Authorization to Roll Over

Important: Contact the Trustee or Custodian of the eligible retirement plan you are rolling over to see if a signature guarantee or other documentation is required to proceed. Space is provided below for a signature guarantee, if required.

By effecting this rollover, I agree that I will be responsible for tracking any portion of the rollover attributable to after-tax contributions or, if applicable, Roth contributions. I also understand that if this is a rollover to an MFS Roth IRA, the five-year period used in determining whether a distribution is a "qualified distribution" from my Roth IRA will be computed without regard to my period of participation in the designated Roth account of my employer's eligible retirement plan.
